Subject RE: westlake billing

Thanks, Cheryle,

Was our last bill in the fall of 2008? Also, Can you give me a rough idea of the amount of each bill (OU1 and OU2) because my client is in the midst of reviewing its budgets, and we did not have this item budgeted. We do not need precision - just a ball park figure. Thank you.

FYI, We did not send an oversight bill last year at about this time because I thought we were so close to concluding the negotiations for the consent decree. Now that a year has passed, we plan to send an oversight bill for both OU1 and OU2 shortly. Cheryle
